

THE RIPLEY CHURCH

VBS at HOME - 2020

Since we are not holding VBS at our church this summer, we want to make available to you this simple video program from *Answers in Genesis*. It will be a fun way for your family to spend time exploring God's Word and learning about the world he created. Take a look through the **video playlist on our website (ripleychurch.org)**. Then, choose the components that you'd like to offer in your home.

The playlist includes five Bible lessons. The daily lesson videos present the "meat" of the teaching so be sure to feature them. Add on a game, snack, or craft as you have time and energy. Watch the song or drama videos throughout your day to reinforce the lessons. Kids will enjoy learning about the incredible creatures God made.

Choose a week for **your VBS**. Then, make a list of videos and/or activities you want to share with your kiddos. It's that easy! You may space your selected activities throughout each day or do them all together in the morning or afternoon. If COVID-19 guidelines allow it, invite a few friends to join your VBS, as well!

Mark your 2021 calendar!

VBS next year...

July 12 – 16
